

Indiana Division of Forestry
Tree Seedling Ordering Instructions for 2003-2004 Season
IMPORTANT INFORMATION

By purchasing seedlings, you agree to plant them in Indiana for conservation plantings as stated in the Nursery Program mission. Plant materials cannot be redistributed or resold for profit. If seedlings produced by our nurseries are to be given away, the buyer must conduct an education program stating the Nursery Program mission prior to distribution of the seedlings. Buyer agrees not to submit duplicate orders for the purpose of gaining advantage in the lottery.

1. October 17th (3rd Friday in October) is the deadline for submitting an order to be processed in the lottery. Phone, fax, and mail orders are accepted (no email orders, please). The order must be directed to:

IDNR Nursery Program	Telephone/Fax: (812) 358-3621/(812) 358-9033
P.O. Box 218	Business hours are Monday through Friday
Vallonia, IN 47281	8 a.m. to 4 p.m. We are closed on all state holidays.

2. The lottery is a computerized random drawing. Orders received by the lottery deadline have the best chance of being filled. Orders received after the lottery deadline are processed on a first-come, first-served basis.
3. Do not send payment with your order. If your order was processed in the lottery you will receive an invoice by the end of the first full week in November. If you submitted your order by the lottery deadline but do not receive an invoice by the first week in November, please call (812) 358-3621 to make sure that we received your order.
4. If your order was received after the lottery deadline, you will receive an invoice approximately 2 weeks after we received your order. Please call (812) 358-3621 if you do not receive an invoice within this time period.
5. Your order will be cancelled if not paid by the due date on the invoice.
6. We accept VISA, MasterCard, personal checks, cash, and money orders. Credit card payments can be made by phone or by listing the information on the invoice. Please do not send cash through the mail. There is a \$20.00 returned check fee.
7. If you are using a claim voucher or purchase order, we must receive the correct paperwork by the due date on the invoice.
8. **There is a \$10 (non-refundable) order processing fee for each order.**
9. **For shipping by UPS, the charge is \$12 per 100 seedlings or per packet.**
10. **March 1st is the last day to cancel an order and receive a refund.**
11. **April 1st is the deadline for changing method of shipping or nursery pick-up location.**
12. Shipping season runs from late February through May, depending on weather. We start shipping to southern counties first and move north as the weather warms. We will send a post card when your order is ready for pick-up or is being shipped. If you need seedlings before you receive a post card, call the nursery that will be shipping your order (see bottom of invoice for nursery).

Seedling height varies with age and species.

The following is a general guide:

3 year old conifer seedlings: 6-20 inches
 1 & 2 year old conifer seedlings: 4-12 inches
 1 year old deciduous seedlings: 6-20 inches
 2 year old deciduous seedlings: 8-30 inches
 1 & 2 year old deciduous small trees and shrubs: 4-20 inches

In the event of a crop failure species may be substituted. Seedling losses can result from adverse weather and many other causes beyond our control therefore we do not guarantee seedling survival unless we determine that losses occurred due to our handling procedures. If seedling losses occur after planting, please contact us within the first 30 days so that the cause can be determined.

Information concerning the mature size and recommended use of these species can be obtained by contacting either nursery or from the “Tree Species Information” section on our website at <http://www.in.gov/dnr/forestry>

The Indiana Division of Forestry provides professional forest management services to all citizens. All 18 District Foresters are professionals, trained and skilled in the management of forest and associated resources. Typical services, rendered at no cost to the client, include performing forest inventories, determining stocking and merchantable volume, growth rates and possible harvest schedules. Assistance in tree planting, insect and disease control, timber sales, financial planning and related topics is also available. District foresters can be reached in their offices most Fridays. For more information on the location of the District Forester nearest you, please visit the Forestry Website and click on the “Landowner Assistance” menu option.

Private Nurseries

Private nurseries sell bare root seedlings. The membership listing on the Indiana Nursery and Landscape Association Web site (www.inla1.org) can assist in locating a private nursery. The IDNR nursery program at (812) 358-3621 maintains a list of private nurseries that provide bare root seedlings for conservation plantings.

Other Resources

Local Soil and Water Conservation Districts may sell seedlings. Check your local telephone directory or call the ISWCD main office at (317) 692-7325 for the phone number of your local SWCD office.

THE DIVISION OF FORESTRY MISSION

To grow and distribute to Indiana landowners high quality plant materials for conservation plantings. Conservation plantings include plantings for timber, wildlife, windbreaks, soil and water protection, reclamation, carbon sequestering, and education.

QUALITY

We produce the highest quality stock that our knowledge and resources permit. We produce a diverse group of species from the best seed sources available, which includes progeny tested seed orchards. We mix all seed lots to ensure that each customer receives the highest quality and most diverse stock available.
